## GOOD-BYE SUMMER 2008

SPONSORS

This was the season for soccer! Except for two days of water-logged fields and one session cut short due to lightening, we managed to hold all scheduled practices and games on lush and green grass. With an average of nearly 80% attendance at practices and games, we could again see all players develop. Parents were able to witness their child's improvements, both technically and tactically, during our annual tournament in September.

Again, our Kinder Soccer Academy (KSA) for 3+4 year olds was well attended throughout the season. With a 1/4 coach-player ratio, these young stars received a great introduction to soccer and learned the very basic skills, what it means to be in a team, and how to run effectively. Thank you to our sponsors in this age group:

**Versatile Millwright** • **Starry Business Solutions**  
**McKersie-Kocher Funeral Home**  
**Complete Audio Video** • **BDP Weatherhead, C.A.**

Our next age group introduced 5-7 year olds to twice-a-week games and more demanding practices. Players began to realize the benefits of positioning and team work, with the result that on tournament day, all games were close with no team dominating any other. We appreciate the support of these sponsors:

**Halton Community Rehabilitation Centre** • **JK Concrete Forming**  
**Rob Gill, Re/Max Performance Realty Inc.** • **Horne Construction**  
**Miltowne Pharmacy** • **BDP Weatherhead, C.A.**

Coaches and team managers have awarded MVP and MIP awards to players who have demonstrated drive, fair play, consistency, and good work ethics (we only do this in U10 and above):
