**MinuteMan Press** (by coaches John Silva & Enrique Boggio)  
It has been a great start to the season for the MinuteMan Press team. With a lot of new faces, it should be a great season for all the future stars to learn the basics of soccer and to learn how to work as a team. The team has already mastered numerous drills including how to run backwards and have already practiced a shoelace kick, inside foot kick and throw-ins!  
After a few sessions observing the team, Madison Farnell looks like she is ready to join in the fun! Beckett Bjelic and William Levesque are continuously improving on the skills learned in the indoor session and are always ready to take on more of a challenge. Nicholas Friars and Jack Lacy are full of enthusiasm and are always eager to learn. Braedyn McIntosh displays good technique and is a great listener. Owen Silva always works hard for the ball and is always ready for a water break and of course freezies! Great job everyone and keep up the good work!

**Starry Business Solutions** (by coach Uwe Samstag-Schnock)  
Wow - what a great bunch of aspiring soccer stars. We can find all personality types in Starry's team, which bodes well for a well rounded squad down the road. Veteran Quinn Hagley shares his experience with the newcomers, while mascot Cody Ryan likes the undivided attention of junior assistant coach Kaleigh Ryan. Already, the team showed no sign of reservation when it was "no parents" night, sitting attentively on the opposite side of the field. Alessia, whose name coach Uwe will need to pronounce more correctly, shows warmth and leads stray team members into the fold. Amazingly, players are grasping the opposite side concept and have developed safe dribbling techniques, with Julia Hansmann and Teagan Duplantis doing exactly as shown, while Indiana Beaulne uses his creativeness to move the ball around the field. Even in this early summer heat wave, this team is relentless in its pursuit of the ball and freezies!

**JK Concrete Forming** (by coach Cory Carter)  
With a very young team Royal Blue did a great job of playing against the Yellow team. The experience of Ben Madden proved to be a great example for the Blue Team as they came alive and played excellent soccer. Strong play from the Yellow Team was very exciting for the fans to watch as Zach Cote, Ethan Xavier, and Xavier Costa led the way. Strong performances and excellent team play from all the players as they were getting involved every step of the way. Brooklyn Slade, Eric Proud, Darragh Sawyer, Andrew Peters, Joshua Kirin, Caitlin Bradley, Logan Kelly, Kelsey Harley, Ethan Guthries-Kirkimtzis, Nicole Kirin and Marco Boggio rounded out the play and make the games very exciting. Good work teams, keep up the hard work! You are a treat to watch and coach.

**Milton Community Nursery School** (by coaches Tracy Faulkner & Jillian Morandin)  
The Milton Community Nursery School team has been off to roaring start. With many new players this summer coaches Jill and Tracy have been starting with the basics of how to kick the soccer ball. Joshua Gallagher and Zachary Goldberg have really shown strength in this area, while Sydney Patten and Alex Munk have shown their enthusiasm to learn the basic skills of soccer. Each week the kids get a better understanding of which direction they should be running in and how to run while dribbling the ball. Samantha has rubbed off on her little brother Dane Rapotar, as she shows her skill development in dribbling with the ball. When it comes to a scrimmage, the kids are learning to spread out across the field, stay in their lines while running in the right direction, Jamie Morandin and Noah Faulkner have demonstrated improvement with these skills over the past few weeks. The kids enjoy having fun on the field while we teach them what being apart of a team is all about. Abbey Kilfoyle and Emilie Alain have shown great enthusiasm from the start of the season. All of the kids have started the summer off with great team spirit, and a desire to learn new skills. We look forward to developing these basic soccer skills with the Milton Community Nursery School team and hope the summer is filled with Fun and a love for soccer!

**Body & Sole 2:0 Versatile Millwright**  
After a long winter, everyone was excited to get back on the pitch for the first game of the season! In a game were Body & Sole won 2-0, there was plenty of end to end action that kept the crowd on their feet. Goal scores for Body & Sole were Robert Simmons and Lucas Pacchione. Both had great runs down the field and finished strongly just out of the reach of the Versatile Millwright's keeper. The game seemed like it would be put out of reach when Mya Brathwaite took the ball the length of the field but a spectacular save by Jake Kohler ensured that score line remained 2-0. Versatile Millwright countered with some great pressure as they tried to cut the lead but Body & Sole's defense which included Emma Daly and the sister duo of Jessalyn and Madalyn Morrison did a great job to ensure that the clean sheet was maintained. Versatile Millwright never gave up and almost got on the score sheet when Frankie Varga broke through the defense only to be stopped twice by Body & Sole's keeper Noah Silva.  
Great job by both squads and if the first game was any indication, this should be a great and thrilling season!

**Snap Milton 1:4 JK Concrete Forming**  
Snap Milton were put to the test in their match with JK Concrete Forming. Coach Mark Boswell had his side well prepared and organized for the encounter. Snap found out quickly just how tough this match would be as the speed and pace from the likes of Adam Nicholson and Nicholis Fregonese made it difficult for the defense to cope. Valiant goalkeeping from Matteo Maugeri kept the opposition at bay for the most part but not even he could stop them all. JK Concrete Forming built a commanding 3-0 lead before a consolation goal from Noah Mistuzzi broke the shutout bid with a few minutes left in the match. Keeper Liam Dick was the man of the match with some terrific saves and made the right decisions in goal when the odd defensive breakdown occurred in front of him. A great game from both teams and special congratulations to JK Concrete Forming; a great well coached side and a well deserved win.

**BDP Weatherhead 0:0 Versatile Millwright**  
Many of the players for BDP Weatherhead had exceptional performances. Goalkeepers, Annalise Tucker and Daniel Henstock each had an outstanding game, turning away several determined VM attacks, to keep the game scoreless. In a wonderful display of teamwork Amanda Apputhurai and Lauren Wilkinson moved the ball up field with accurate and unselfish passing. Campbell Wackerlin worked tirelessly from one end of the field to the other, skillfully supporting the forwards and bolstering the defense. Likewise, Versatile stood its ground in this scoreless tie through great performances by Tyler Dewar and Shannon Sadler, whose spectacular diving saves and smart releases kept Versatile in the game. Great effort by forwards Jack Abrams and Erin Fenton in moving the ball into BDP's box.

**BDP Weatherhead 5:5 Snap Milton**  
It was an exciting season-opening tilt between the BDP Weatherhead and Snap Milton, Under 7 teams, with end to end action, and a final score that reflected the efforts of both sides. Snap Milton jumped out to an early lead with smart build-up play and brilliant finishing that produced highlight-reel goals by Noah Mistuzzi and Jonas Mogilnicki. India Sehgal played well in net, and stifled several goal opportunities. BDP Weatherhead kept their heads up and gamely battled back. A brave second half save by goalkeeper Rashik Intesar and late goals by Emma McKinnon and Kody Stoute completed the rally and earned the team a well deserved draw. Congratulations to all of the players from both teams for their participation in a good-spirited and highly entertaining game!

**Horne Construction 1:5 Complete Audio Visual**  
It was an exciting soccer match held on a warm and sunny Wednesday night between Horne construction and Complete AV. Highlights for Complete AV include a great first half goal by Noah Challenges that was complemented by good passing plays by Ryan Egger, and Vasco Camero. Other strong plays that did not go unnoticed from the sidelines was the good defensive play by Agnieska Janusz to rush Horne's forwards, and to break up potentially dangerous attacks. The Complete AV defense was anchored by goalies Ilmar Kanbergs and Sebastien Janusz who were able to make timely saves to keep the AV team in front.

Complete AV had the edge on this night showing improved passing and team cohesiveness. The final score does not reflect how close this match actually was, as Horne focused their game on passing and positioning, which were demonstrated by nice ball movements among Isabella Maugeri, Isaac Mistruzzi and Katie Kohler. Great saves by Maximilian Horne and a great display of natural goal scoring instinct by Lucas Price. Kristin Gallant and Melissa Carter rounded up the front and created many goal scoring chances. Congratulations to both teams for playing such an entertaining game.

**Halton Community Rehabilitation Centre 2:2 Storage Spot**  
The Halton Community Rehabilitation Centre (HCRC) and Storage Spot teams met on a night where the weather was cool but the action was hot! In this exciting match both teams held a one goal lead, and both teams fought to secure the win until the final whistle.

There were numerous standouts for the HCRC team. Alex Borthwick was a constant offensive threat. He managed to net HCRC's first goal, and came close to a second on a powerful shot that curved just west of the top right corner. In the second half Nicholas Blasiak was terrific in net, courageously smothering strong shots from close range. Excellent defensive positional play was exhibited by Alison Henstock, who frequently pushed attackers wide, neutralizing their scoring opportunities. Mariana Mariles made key tackles and insightful passes in the midfield to keep the pressure on the Storage Spot defenders.

For the Storage Spot team, Connor Daly did an outstanding job as the goalkeeper making some terrific saves on difficult shots from HCRC. After going behind 2-1 the Storage Spot team needed to regroup. The rally was led by the Storage Spot forwards, Breanna Clarke, Caitlyn McComb, and Andy Zapata. With some strong team play and beautiful passing they kept the HCRC defenders and goalkeeper busy. Their teamwork was rewarded with a last minute goal to equalize the game. With the two teams playing so well and being so evenly matched, a tie was the only fair result. Book your seats now for the July 11 rematch!

**Halton Community Rehabilitation Centre 4:6 Complete Audio Visual**  
It was a high-scoring, thrilling opener for the Halton Community Rehabilitation Centre (HCRC) and Complete AV teams. Highlights for Complete AV included a great first half goal by Xander Ewing finishing neatly from a cleverly played ball forward. Jake Michaelis showed his strength during the second half in which he scored two goals. Complete AV was backed by impressive goaltending of Samuel Villa, in the first half and Xander Ewing in the second. Several HCRC players had strong games as well. Joshua Blazina and Justin Crozier combined up front with some intelligent passing that led to good pressure on the Complete AV keepers. Stalwart defending by Traci Armstrong and strong goalkeeping from Michael Carlton and Eric Sinnige helped to keep the score within reach. Jasmine Kortekaas played tenaciously in the middle of the park, frequently taking on and dispossessing larger opponents in this crucial part of the field. Complete AV had the edge on this night with great teamwork and relentless attacking spirit; however HCRC showed a resilience and fire that was inspiring. A well played game by all involved!

**Heathwood Homes 0:6 Team Tiger**  
MVP's: Patryk Kaminska and Kai Samstag-Schnock  
Best Sportsperson: Gordon Woodcock and Kaelan Nelson

We are still early in the season and it is apparent that Team Tiger is developing and growing quickly as a cohesive unit. The fitness of Team Tiger was excellent once again as they ran very well in the hot weather. Team Heathwood tried very hard and were led by a fantastic effort in goal by Patryk Kaminska, Paulina Kaminska and Farzad Najem. The defense of Team Tiger proved to be very tough led by the seeping power of Jake LeBlond and Jonathan Svoboda. Leading the way offensively was Kai Samstag Schnock with 3 goals, Justin Carter with 2 goals and Davis Sherring with a single. The playmakers were Ian Tascone (2), Christina Steinhauer, Kai, Davis, and Iason Kambourelis. Team Heathwood will turn the corner after next practice with the strong play of Wyatt Turner, Alex Vos, Conor Fisher, Adam Wagner and Gordon Woodcock.

**Heathwood Homes 2:3 Ryno Renovations**  
MVP's: Andrea Mariles and Zack Boswell  
Best Sportsperson: Julie Kerns

Another great competitive game in the U12 division was witnessed by the fans in week 2. A defensive battle led by goalies Farzad Najem and Nico Sinnige. The scoring in the first half was hard to come by, but somehow Patryk Kaminska of Heathwood Homes was able to slip one by the Ryno Renovations goalkeeper. In fact, siblings Paulina and Patryk form a strong axis on the right side, with Paulina hustling the opponent to exhaustion. At the half the score remained 1-0 with the strong defensive play of Lazaros Manolakos, Rhudhaire Hakime, Alex Vos, and Malik Shillingford. Team Ryno came out strong in the second half with goals by Connor Roberts (1) and Zack Boswell (2). The game once again became very competitive with a late goal by Andrea Mariles to bring Team Heathwood within one goal of Team Ryno. However Team Ryno somehow held off the attack of Team Heathwood with some great defensive play by Nicholas Hoffman, Marcello Mule, Joel Anderson, Ryan Nowak, Devon Melanson, and Andrew Borthwick.
